

CT00-020
PATENT

Applicant asserts that claim 1 is generic at least to claims 2-25. For example, each of the elements of claim 1 may be found in the independent claims 17 and 25. Applicant requests the Examiner to explain how claims 17 and 25 are patently distinct species from claim 1.

Reconsideration of the subject application as amended is respectfully requested.

Respectfully submitted,
Fu et al.
